Using A Good Press Release Distribution Site

Thank you again for purchasing the PRMarketer.com PR Marketing Package.

You made a wise investment and this report will provide all the vital information regarding your press release submission. This report was custom created to ensure all the bases were covered and give you a full comprehensive report on the top sites your release has been published

A Powerhouse Behind PRMarketer.com

PRMarketer.com works directly with I-Newswire.com, one of the top press release distribution sites online. I-Newswire.com has consistently ranked in the top results for various long tail and mid level competitive keyword phrases. The reason we use I-Newswire exclusively is that they are very reliable and have proved to be the fastest distribution site in regards to getting indexed in Google's standard web results and Google News.

I-Newswire's syndication partners include sites such as About.com, NYDailyNews.com, Boston.com, BNet.com, Topix.com and dozens more high authority sites. Below you'll see a screenshot of your press release indexed in Google as well as all the 39+ High Authority, High Page Rank sites which have published your release.

Your Press Release Indexed Fast In Google

The ability to quickly get your press release in the search engines as quickly as possible is one of biggest advantages of using a fast, reliable distribution service . Google loves the press releases at I-Newswire.com and crawls the site dozens of times daily in an effort to include as many newly updates pages as possible from the site.

As soon as your press release is approved, it's published on I-Newswire.com. Since it's a Featured premium release it gets published on their homepage and Google quickly finds the new article.

How Fast Is Fast?

It is a common occurrence for press releases to get picked up in just a matter of hours. And it's even likely to see results even faster than that! We've seen releases get indexed within minutes after being published on the homepage of I-Newswire.

Click the link below to do a search for your press release in Google:
